unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

augustine of hippo was a philosopher as well as theologian bishop and saint he aimed to practice philosophy not simply as an academic discipline but as a love for divine wisdom pervading everything in his life and work to inquire into augustine and philosophy is thus to get to the heart of his concerns as a christian writer and uncover some of the reasons for his vast influence on western thought this volume containing essays by leading augustine scholars includes a variety of inquiries into augustine s philosophy in theory and practice as well as his relation to philosophers before and after him it opens up a variety of perspectives into the heart of augustine s thought he frequently reminds his readers philosophy means love of wisdom and in that sense he expects that every worthy impulse in human life will have something philosophical about it something directed toward the attainment of wisdom in augustine s own writing we find this expectation put into practice in a stunning variety of ways as keys themes of western philosophy and intricate forms of philosophical argument turn up everywhere the collection of essays in this book examines just a few aspects of the relation of augustine and philosophy both in augustine s own practice as a philosopher and in his interaction with others the result is not one picture of the relation of augustine and philosophy but many as the authors of these essays ask many different questions about augustine and his influence and bring a large diversity of interests and expertise to their task thus the

collection shows that augustine s philosophy remains an influence and a provocation in a wide variety of settings today

latvian an essential grammar is a concise user friendly guide to the basic grammatical structures of latvian presenting a fresh and accessible description of the language this engaging grammar uses clear jargon free explanations to set out the complexities of latvian in short readable sections key features include clear grammar explanations frequent use of authentic examples pronunciation guide bibliography and subject index this is the ideal reference source both for those studying latvian independently and for students in schools colleges universities and adult classes of all types to back up their studies
